# doe HOSTING

Secure Global Access & Support

**Litigation and Application Hosting Together In One Managed Solution**

## **Worldwide Universal Access 24/7**

a completely secure, collaborative environment accessible from any web-based computer. Flexible and reliable when you need it most.

## **Go "Green" This Year**

be more eco-friendly by reducing paper, travel, and printing. Using online hosting, you cut costs, reduce time, and help the planet.

## **Digital Answers for a Digital World**

online hosting provides cost-cutting services to the legal community, but only one provider has been on the leading edge for over 38 years.

doeLegal is a trusted provider of hosted legal services recognized throughout the world.

## **The Right Tools, Relevant Experience, and Technical Experts Will Strengthen Your Case**

*Proven hosting experience, technical knowledge, and cutting-edge tools facilitate better control over the data stored on remote servers. Our full-featured portal is your gateway to a secure collaborative environment to conduct business. Whether you are hosting your litigation data for review, a standard application, or your organization's privileged intellectual property, you can rest easy knowing it is housed in a Tier-3 Data Center located in the central East Coast with a hot backup site in the Northeast. Our service approach and support methodology fits your workflow and is supported by our own expert staff. Our proven experience demonstrates our ability to provide enterprise-class legal solutions; all backed by the industry's most dependable support guarantees. Trust the leader in hosted legal service tools to overcome today's challenges. Visit [www.doelegal.com](http://www.doelegal.com)*
