

# ONE SOLUTION TO ALIGN YOUR LAW UNIVERSE

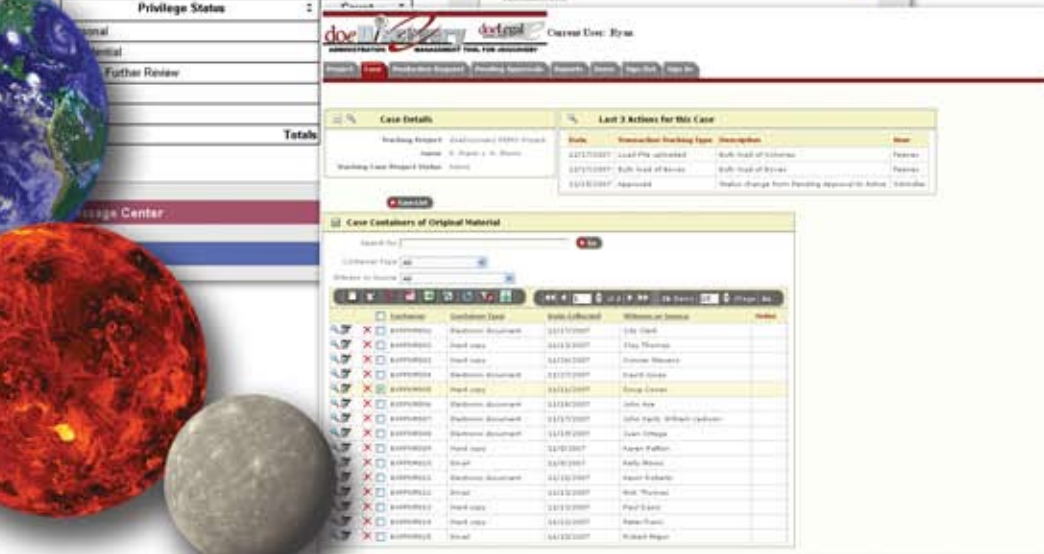

"Finding an eDiscovery expert capable of any task from Collection to Production is not easy these days. So many service providers do not possess the proven experience to effectively handle the eDiscovery spectrum of services. We have made it our priority to provide outstanding value to each customer."

-Tom Russo, CEO & President

- Manages the entire eDiscovery lifecycle from Collections to Productions with experts in forensics, EDD processing, duplicate elimination, collaborative review, and production.
- Delivers cost-reducing process efficiencies that accelerate review time and eliminate wasted duplicate review
- Provides paperless "green" eDiscovery process
- Dedicated experts handle the entire process under one roof ensuring each stage flows into the next - effortlessly
- 24/7 support helps your litigation staff stay focused on winning, not trouble-shooting

doeLegal understands your goal is to improve efficiency while lowering risk. Ours is to make that possible for you. Providing innovative, cost-effective solutions is our corporate mission. Your eDiscovery deserves a true "Trusted Advisor" that has the experience and expertise you require.

We specialize in delivering effective, safe, and secure solutions to manage the increasing challenges of billing and invoicing, spend review, collaborative data sharing, daily communications, and cost control.

Our highly-qualified solutions are ready. Call today at 302-798-7500 to learn more.
