Advanced information management tools and elevated support give you anytime, anywhere control of cases and costs to help inform decision making and drive successful outcomes.

doeDISCOVERY

eDISCOVERY MANAGED SERVICES

Full Litigation Support & Data Hosting

As data volumes grow, high-performing teams require a single solution to manage their entire litigation lifecycle from "file to trial" in an easy-to-manage, collaborative position.

doeDISCOVERY[™] is a full-featured, end-to-end solution ready to help your team manage litigation by integrating advanced legal project management with leading eDiscovery tools. Mitigate risk, reduce costs, and take control of your legal matters.

The growing challenges to improve efficiency while lowering costs are making the standard way to accomplish eDiscovery and Data Hosting obsolete. Competitive corporations and firms must find the best process to evaluate performance metrics, manage expenses, and keep the entire process defensible.

doeDISCOVERY[™] provides a superior suite of best-of-breed tools that delivers insights to make more informed decisions.

Using the most innovative tools available for each EDRM stage throughout the lifecycle, you have everything you need to effectively manage litigation in one collaborative place
